

## Our Promise...

" to do what we said we would"

## Company Profile

Queensland Painters and Maintenance Services (QPAMS) is an Australian company that offers painting solutions and services to clients in the Queensland region. We are based in Townsville and our primary area of operation is the Queensland regions of Mackay to Mt Isa to Cairns.

QPAMS specialise in industrial, commercial and time critical projects. The scope of services we offer is demonstrated by the diversity of our completed projects which include schools, nursing homes, apartment buildings, hotels, commercial offices and buildings, houses, abattoirs, cement manufacturing facilities, factories, power stations, silos, remote areas, LPGas vessels and petrol stations.

Our primary goal is to satisfy our clients, and this is instilled into all our staff and demonstrated in our dealings with clients and the general public.

We pride ourselves on getting the job done. QPAMS has experienced and qualified staff to ensure we complete our projects safely, on time and to specifications.
